

Global Compact

Global Compact är ett FN-initiativ som i korthet innebär att FN uppmuntrar och stödjer företag och organisationer som verkar internationellt att, var de än befinner sig i världen och inom ramen för sin inflytandesfär, ansluta sig till, stödja och verka för

- Mänskliga rättigheter
- Arbetskraftsstandards
- Miljöhänsyn
- Antikorruption

Utifrån dessa områden har man formulerat 10 principer vilka i korthet anges nedan. Klicka här om du vill komma till Global Compacts egen hemsida: <http://www.unglobalcompact.org>

The Global Compact's ten principles in the areas of human rights, labour, the environment and anti-corruption enjoy universal consensus and are derived from:

- The Universal Declaration of Human Rights
- The International Labour Organization's Declaration on Fundamental Principles and Rights at Work
- The Rio Declaration on Environment and Development
- The United Nations Convention Against Corruption

The Global Compact asks companies to embrace, support and enact, within their sphere of influence, a set of core values in the areas of human rights, labour standards, the environment, and anti-corruption:

Human Rights Principle

Principle 1:

Businesses should support and respect the protection of internationally proclaimed human rights; and

Principle 2: make sure that they are not complicit in human rights abuses.

Labour Standards

Principle 3:

Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4:

the elimination of all forms of forced and compulsory labour;

Principle 5:

the effective abolition of child labour; and

Principle 6:

the elimination of discrimination in respect of employment and occupation.

Environment

Principle 7:

Businesses should support a precautionary approach to environmental challenges;

Principle 8:

undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

Principle 10:

Businesses should work against all forms of corruption, including extortion and bribery.
